Sketchbooks

Each Hahnemühle sketchbook contains high-quality, thick papers with a rough surface for pencils, Indian ink, pastels or watercolours - you should opt for smoother papers if working with pens. Available in convenient A6 and A5 formats, larger A4 and A3, and even square sizes to fill every consumer need.

The Hahnemühle sketch books are available spiral-bound or thread-bound, with an elastic band to hold the covers shut. Additionally, the books feature a small pocket inside the back cover to hold loose papers, mementos, or other items.

The Grey Book & The Cappuccino Book

120 g/m² - light grey and light brown sketching paper

This smooth sketching paper is ideal for working with ink pen, fountain pen and acrylic marker as well as other water-based pens with little abrasion. Colours stand up well on the closed light grey or light brown surface and glow softly. Motifs can be laid out from light to dark and can then be highlighted in white. The light grey paper is ideal for cool, high-contrast motifs, the light brown paper is reminiscent of freshly foamed cappuccino and is the best choice for warm-toned pictures/artwork.

The sturdy cover has a subtle mellow finish and is pleasant to the touch. Bound in several layers and thread-stitched, all pages lie flat and allow two-sided work across the centrefold. A bookmark ribbon completes the high-quality design.

With 40 sheets/80 pages and a basis weight of 120 g/m², The Grey Book and The Cappuccino Book are slim and ideal companions, even when travelling. At the same time, they offer enough stock for many motifs. Available in A4 and A5. Vegan, acid-free and non-ageing.

Nostalgie Sketchbook

190 gsm - natural white - 80 pages

'Nostalgie', the coveted classic, now also available as book

Thread stitching makes for a solid binding and good flatness of the sheets. This also makes sure that double sided sketches and drawings across the fold too can be created without any problems. With an anthracite-coloured cover featuring a linen structure, the book is hard-wearing and nice to the touch.

Every book features 40 sheets / 80 pages. The heavy, natural white paper feels both solid and flexible. The fine grain of the paper makes the pen slide over the surface virtually on its own.

Clearly defined pen control and delicate hatchings allow for every kind of work – from the architectural sketch to the fast, vividly coloured draw.

Suitable for use with all dry-painting techniques in addition to wet colours, the paper brings a great sense of versatility and precision to the artistic process. Acid free, high longevity.
